### Todd Talks...

Our thoughts and prayers are with those who have experienced destruction and devastation in the tornados these past few weeks. We are grateful to Gage Goff and the crew that went to Marietta last week and offered assistance. What a wonderful Senior Salute that was given to our graduates this past Sunday. It was well-attended. Thanks to those who helped with decorations and preparations for this event.

The Ladies Day is just a couple of weeks away. There has been a tremendous amount of planning and preparations for this special day. Thanks to all the ladies who have helped with this effort. I know it will be a blessing to all who will attend. Beginning this month, we will have some changes with our Sunday evening worship/class agenda. On the first and third Sundays the Adult II class will be meeting in the fellowship building or occasionally in other locations. They will be having a devotional, doing some service projects and growing closer to one another thru fellowship and activities. The Sunday night class will continue for those who want to study and remain in the auditorium. The second Sunday will continue to be our "Brother's Keepers" Sunday with all the groups meeting at various times and locations. The fourth Sunday we will have our regular morning bible class and worship, and a fellowship meal will follow. Then we will have a brief devotional after the meal and be dismissed for the rest of the day. If you have questions about this, you can visit with an elder.

There continues to be opportunities to let His Light shine in our lives. I am grateful we have so many who step up and step out to shine that Light!

*Love ya,  
Todd*

# If Our Children.....

...never see us go to Bible study, why should they?

...never hear us pray, they will never learn how themselves.

...hear bickering or cursing at home, they will do the same when they are grown.

...never see us read the Bible, they won't appreciate its contents either.

...hear us complain about the preacher, they will do the same.
